

NUMBER RESERVATIONS

I do not have a form set up on the SCCS website for number reservations. To reserve your **number****, email me at **jscott@outxcast.com** with the number you want, race class, your name, address and a phone number. If that number is not available I will send you a email back or call you to notify you that you will need to pick another one. If you are signing up your child, please give me his or her age along with the above mentioned information.

****see the [‘Rider List’](#) or [‘Number Sequence’](#) tabs on the home page for class and number information.**

Number and plate colors do NOT matter as long as they contrast each other and at least 3” in size. Numbers are required on the front and rear of your quad. Rear fender placement of numbers are allowed in lieu of having it on rear of quad (for those that have center exhaust). Also, numbers on back of your chest protector / jersey would help out too.

Numbers and plates will NOT be available at the track, please make this your responsibility to have your number reserved and on your quad when you arrive.

Thank you,

SCCS
